

## **Mullet Bay Golf Course**

Located at the now closed Mullet Bay Resort, this course is the only course on St. Maarten that is still open for play by locals and tourists. It plays 6,200 yards from the black tees, 5,514 from the whites and 5,050 from the reds.

This 18-hole course was designed by Joseph Lee, but is reported to be in poor condition. The course is maintained to the extent that it is mowed, there is signage along the way, some sand in the bunkers and there are pins in the holes.

For amateur golfers, Mullet Bay's 18-hole course is a nice way to pass the time while enjoying beautiful views of the Caribbean island. It is conveniently located within a half mile of the Sonesta Maho Beach Resort and Casino.

Green fees for Mullet Bay Golf in St. Maarten are US\$52 for 9 holes or US\$93 for 18, with cart rentals available on-site.
