

TEMENOS GOLF IN ANGUILLA

This 7,063-yard championship course was designed by golf legend Greg Norman and first opened in 2006. It offers dramatic elevation changes, water features on 13 holes and, with the help of Cap Juluca's brand of hospitality this season, guests can enjoy one of the finest Caribbean golf experiences.

Temenos Golf Course offers a Caribbean golf experience where sand, wind and water blend seamlessly with Anguilla's natural environment to present a golfer's paradise. Some of its signature holes include:

Players being greeted by a spectacular vista of St. Maarten and the Caribbean Sea at the tee box of the 390-yard starting hole. The fairway descends over 40-feet to a narrow, two-tiered green sitting precariously on the edge of a saltwater lagoon. *Robb Report* called this first hole, "The Caribbean's answer to the 18th at Pebble Beach."

- Large sand dunes on the left and a saltwater pond on the right framing the perilous drive on the 440-yard 16th hole that plays dead into the trade winds and ends with an elevated green surrounded by water and protected by deep bunkers.
- The drive for the finishing hole carrying the edge of the mangrove thicket in a vast stretch of saltmarsh that winds through eight of the course holes. The narrowing fairway ascends forty feet through rugged terrain to narrow green carved out of the native shrub.
- Greens Fee (18 Holes): \$225+
- Greens Fee Twilight*: \$125+
